

# 2018 National Pretreatment Meeting

## April 17-18, 2018 Tommy Douglas Conference Center Silver Spring, Maryland

### **Purpose:**

This meeting will bring together state and federal permitting and pretreatment personnel and other pretreatment stakeholders. The meeting will be designed to engage participants in program visioning, identify ways to improve permit quality, highlight emerging technologies and discuss how practitioners can better leverage technology, and foster closer coordination and collaboration between state and federal practitioners and other stakeholders.

### **Attendees:**

The 2018 National Pretreatment Meeting is a national event specifically organized by state and federal regulators for EPA and state program staff representatives. Attendees include:

- State program staff involved in managing pretreatment programs
- EPA Headquarters and Regional staff involved in pretreatment program management
- Partnering state and federal agency staff that provide technical and/or regulatory assistance to pretreatment programs
- Invited guests

### **Special thanks to:**

United States Environmental Protection Agency, as well as the 2018 National Pretreatment Meeting Planning Committee.
